

LITTLE NAVIGATOR

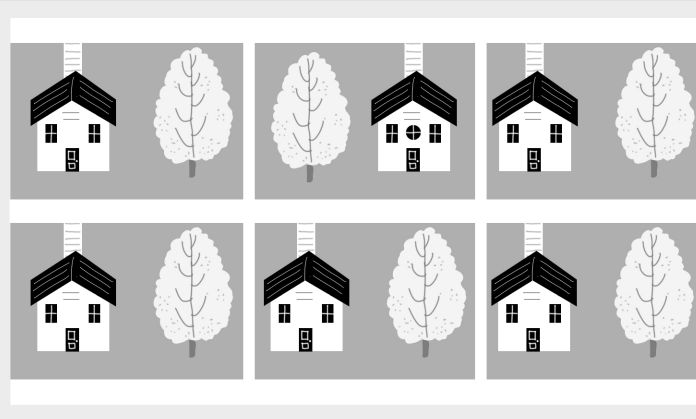

Miriam and Aaron are driving with their mom to meet with their relatives who are new to the neighborhood. The three were invited to celebrate the Feast of Trumpets and Miriam was given directions. Help Miriam locate their new house.

1. Their relatives live between two avenues.
2. They are north of Dove, Olive, and Harvest streets.
3. Their house has three windows.
4. They are between two other houses.

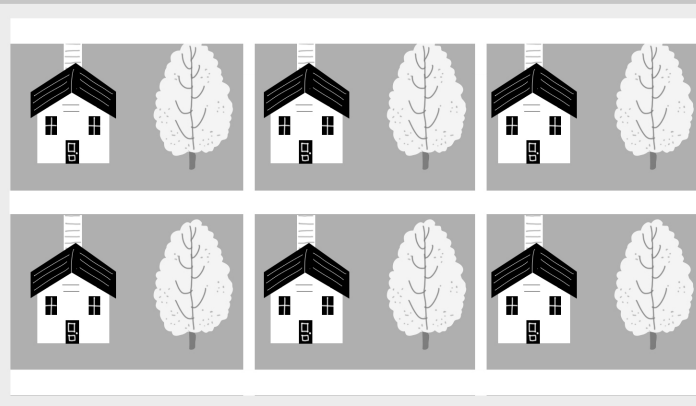

BONUS!

When Miriam and her family head home, they drive past one house to Autumn Ave and pass five houses to get to theirs. They live on the corner in a five-window house. Find it.
